

6th conference Gothenburg 1994

In 1994 everyone headed for Sweden as Ben, **SM6CKU** and his group sponsored the sixth conference near Gothenburg, Sweden. This conference took place at an adult camp with everyone located in their own individual cabins. A highlight was the presentation by VE3ONT on his groups EME test from the 150' dish in Ontario, Canada.

No group photo or list of participants is available.
